COURSE OVERVIEW

The grace of God is one of the most important topics in all of scripture, yet probably is one of the least understood. The Bible teaches not only are we saved by grace, we live by it every day of our lives. Many Christians, however, maintain their relationship with God based on their performance rather than on his grace. “Transforming Grace,” by Jerry Bridges, focuses on the generous and inexhaustible supply of God’s grace. Transforming Grace Topics include:

- 1. Law**
- 2. Liberty**
- 3. Love**
- 4. License**
- 5. Legalism**
